## General Information

Educational institution “Grodno State Agrarian University” holds the XIII International scientific-methodical conference “Prospect for the higher school development” which takes place **on May, 28-29 2020**.

Dear colleagues!

We have pleasure to invite you to participate in the conference.

The official languages of the conference are Belarusian, Russian, English and Polish.

### Main topics of the conference:

Influence of external and internal environmental factors on the content of educational programs.

The ecologization of education: new problems, trends and implementation experience.

Active teaching methods as a way to increase the educational process effectiveness.

Soft skills as skills that improve the competitiveness of graduates.

The conference materials and results will be published in the conference information package.

To participate in the conference it is necessary to send to the address of organizing committee by post and by e-mail ([monitoring@ggau.by](mailto:monitoring@ggau.by), [grodnoggau@gmail.com](mailto:grodnoggau@gmail.com)) the following materials:

- Application form for conference participation;
- Conference materials: 1 signed copy of article.

Deadline: **March, 27 2020**.

**Travel and meal costs** are paid by conference participants themselves.

Organizing committee provides participants with a room in a university hostel.

### Publication requirements:

The article should be up to 3 pages (A<sub>5</sub>, 148x210 mm, book orientation).

Text should be typed in MS Word, Times New Roman 10<sup>th</sup> pt, single-spaced. The list of references should be typed in 8 pt. Margins: the left, top, right, inferior should be 20 mm. First line indentation should be 0,5 cm.

Languages of publications are Belarusian, Russian English and Polish.

Materials should meet the problem fields of the conference.
